EXCLUSIVE ATIKAMEKSHENG EVENT

SUDBURY THEATRE CENTRE

1939

TUESDAY, MARCH 19TH

SHOW BEGINS @ 7PM

DUE TO SUBJECT MATTER, A REFLECTION SPACE AND MEDICINE WILL BE OFFERED AFTER THE SHOW

Witness this awe-inspiring production for the first time outside of Stratford

Set in 1939, a group of students at a fictional Residential School in Ontario are faced with the daunting task of putting on a play by William Shakespeare for the King and Queen of England on their first Royal Tour. But as news spreads and audience expectations abound, the students, resilient and resourceful, find their own way into the text, determined to challenge the notion that there's only one way to do Shakespeare. Born of both family legacy and calls to action of the Truth and Reconciliation Commission, '**1939**' has been guided by Indigenous Elders, Survivors, and ceremony throughout its several years of development.

The piece will be directed by Jani Lauzon, one of Canada's finest and most celebrated Indigenous artists and a leading voice in the theatre community. 1939 will feature a cast of entirely local to Northern Ontario artists, led by 5 local Indigenous artists including Kelsey Tyson, Sarah Gartshore, Lisa Cromarty and Richard Comeau (who was in the original production at the Stratford Festival).

LIMITED SEATING AVAILABLE.

To reserve your seat please contact Brandy Saikkonen at events.coordinator@wlfn.com or call 705-692-3651 ext. 1147 by March 8th.

February 2024

The second moon of Creation is Bear moon, when we honour the vision quest that began in the fall. During this time, we discover how to see beyond reality and to communicate through energy rather than sound. This moon also gives us a special teaching about the birth of bear cubs. In February, there is one morning when there is a heavy fog in the air and the traditional person knows that this is happening.
