Community Update

Dance Arbor at Sacred Grounds

The Planning and Infrastructure along with the Mino Biimaadiziwin Departments are excited to share an update on the renovations at the Sacred Grounds.

These renovations have been carefully developed through a close collaboration between the Mino Biimaadiziwin Department and the Planning & Infrastructure Team.

The shared goal: to ensure our facility continues to meet current building code standards while providing a safe, welcoming, and enriching environment that reflects the needs and priorities of our community and supports essential programming.

- Cook House: This building will be dismantled for the time being and will be reconstructed with a new and improved structure to meet updated building code requirements for Summer 2026.
- Dance Arbor: Temporary fix to adjust the stand and roof supports. The Dance Arbor will be reconstructed with a new and improved structure to meet updated building code requirements for Summer 2026. Community engagement will be conducted prior to approving a new structure.
- MC Stand: A temporary fix to adjust the stand and supports.
- Gravel and Landscaping: Throughout the area this summer
- Portable Washrooms: Temporary for now with the plan to install permanent fixtures in Summer 2026.

Debendaagziwaad can still use Sacred Grounds, areas that are being worked on will be roped off for safety. If you would like to use Sacred Grounds for an event, ceremony, ect. please inform anishinabe.aadziwin.manager@wlfn.com

We're so grateful for your patience and support as we improve the Landscaping, Dance Arbor, MC Stand, and Cook House for current and future generations. Stay tuned, more updates will be shared as we reach the next milestones!

Community Update: Waasakwa Centre Renovations

We're excited to share an update on the ongoing renovations at the Waasakwa Centre!

These renovations have been carefully developed through a close collaboration between the Education Department, the Planning & Infrastructure Team, and SBA.

The shared goal: to ensure our facility continues to meet current building code standards while providing a safe, welcoming, and enriching environment that reflects the needs and priorities of our community and supports essential programming.

Interior Renovation Highlights – Completed to Date:

- **New Exterior Window & Trim**: Installed outside the Toddler Room to meet updated building code requirements.
- **Kitchen Relocation & Access Improvements**: The kitchen was moved from the Preschool Room, and a new opening was added to the Toddler Room to improve flow and access to the outdoor play area.
- **Renovated Support Spaces**: The Offices, Laundry Room, Bathroom Facilities, Mechanical Room, and Storage Room have all been completed.
- **Upgraded Daycare Kitchen**: Featuring new millwork, modern appliances, and a rolling shutter for improved functionality.
- **Toddler Room Washroom**: Fully renovated with toddler-sized fixtures tailored to the needs of young children.
- **Staff Room Kitchenette**: Existing kitchen millwork was repurposed to install a functional kitchenette for staff use.
- **Social Services Room**: Enhanced for accessibility and emergency egress, with improvements to better accommodate individuals with mobility challenges.

Septic System Upgrade

During the renovation process, the existing septic system was found to be non-compliant with current building codes and at risk of premature failure. A new design has been completed and includes the installation of an **18,000L septic tank** and **leaching bed**. This design has been reviewed and approved by **ISC-FNIHB**, and a quotation for the work is currently under review. Construction is expected to begin in **late May or early June 2025**.

Playground Equipment Update

In addition to the interior upgrades, Waasakwa staff have partnered with **CRCS Recreation** to purchase brand-new playground equipment for the daycare use. The equipment has been selected and a deposit placed to advance the project. Installation will commence once **half-load restrictions** are lifted in both the Greater Sudbury Area and Atikameksheng Anishnawbek.

These seasonal restrictions limit heavy vehicle traffic during thawing periods to protect road integrity. Once lifted, CRCS will proceed with delivery and installation. A new fence will be installed immediately afterward to ensure a safe and secure play area for children.

We're so grateful for your patience and support as we improve the Waasakwa Centre for current and future generations. Stay tuned — more updates will be shared as we reach the next milestones!

FREE WORKSHOP FOR PARENTS

A Night to Remember: Proms, Parties, and Social Gatherings

LET'S TALK DRUGS SERIES

Proms & parties are some of the most exciting events in a teen's high school life. DFK wants to help parents and guardians make it a night their teen will remember for the right reasons.

This upcoming workshop from the *Let's Talk Drugs* series explores common substance use issues that kids may experience at social gatherings like prom night, and offers tips and resources that can promote meaningful, informed family conversations to ensure teens enjoy their prom night and other parties safely.

PARENTS & GUARDIANS

IS YOUR CHILD STARTING SCHOOL IN THE FALL?

If your child is beginning junior kindergarten this fall—or if you haven't yet registered your student with the Atikameksheng Anishnawbek Education Department—now is the time to get started!

Just send a quick email to Stacey Lavallie at education.programmer@wlfn.com or phone 705-692-3651 ext. 1164 to begin the simple registration process.

Having up-to-date student records helps us plan and provide strong educational programming and support for the 2025-2026 school year. We're excited to work with you and your child!

ATIKAMEKSHENG ANISHNAWBEK

ATTENTION

PARENTS & GUARDIANS

From May to September, the Atikameksheng Anishnawbek Education Department will be reaching out to families by phone or email to update student records. This important task will be handled by our Education Programmer, Stacey Lavallie. Any email contact from her will come from education.programmer@wlfn.com.

We also want to remind parents and guardians to protect personal information. Please only share details if you are certain of the identity of the person you are speaking with.

Thank you for helping us keep our records accurate and our students safe.

ANNOUNCEMENT

FROM COMMUNITY FOOD SUPPORT PROGRAM

Dearest friends,

I, the Community Food Support Worker will be switching roles within the Atikameksheng Anishnawbek Band Office as of June 20th, 2025.

I have been so happy to service my community in a positive and impactful way. I am sad to say goodbye to this role as the Community Food Support Worker, and at the same time, I am excited to do my best in my new role as the Waasakwa Cook. I am grateful for the opportunity I've had to work with my amazing community, and will continue to work within Atikameksheng.

THANK YOU FOR YOUR SUPPORT.
