EXCLUSIVE ATIKAMEKSHENG EVENT

SUDBURY THEATRE CENTRE

1939

TUESDAY, MARCH 19TH

SHOW BEGINS @ 7PM

DUE TO SUBJECT MATTER, A REFLECTION SPACE AND MEDICINE WILL BE OFFERED AFTER THE SHOW

Witness this awe-inspiring production for the first time outside of Stratford

Set in 1939, a group of students at a fictional Residential School in Ontario are faced with the daunting task of putting on a play by William Shakespeare for the King and Queen of England on their first Royal Tour. But as news spreads and audience expectations abound, the students, resilient and resourceful, find their own way into the text, determined to challenge the notion that there's only one way to do Shakespeare. Born of both family legacy and calls to action of the Truth and Reconciliation Commission, '**1939**' has been guided by Indigenous Elders, Survivors, and ceremony throughout its several years of development.

The piece will be directed by Jani Lauzon, one of Canada's finest and most celebrated Indigenous artists and a leading voice in the theatre community. 1939 will feature a cast of entirely local to Northern Ontario artists, led by 5 local Indigenous artists including Kelsey Tyson, Sarah Gartshore, Lisa Cromarty and Richard Comeau (who was in the original production at the Stratford Festival).

LIMITED SEATING AVAILABLE.

To reserve your seat please contact Brandy Saikkonen at events.coordinator@wlfn.com or call 705-692-3651 ext. 1147 by March 8th.

AES Reporting Racism Tool

Did you know?

The Anishinabek Education System (AES) has an online tool for reporting racism in education settings.

The tool is for parents, students, and community members.

Support is offered once an incident is reported.

You can help address racism in schools and school activities, by taking any of the following steps:

- Bring the incident to the attention of school staff and/or;
- Bring the incident to the attention of the Education Director or Manager at your First Nation and/or;
- Bring the incident to the attention of the KEB by using the link to the online tool below.

Let Us Know

If your child or the school environment has been impacted by a racialized incident. We will support you and your community to ensure a timely and appropriate response is in place.

AES Reporting Racism Tool for Families

The QR code and link below can be used to report an incident of racism. If you are more comfortable reporting an incident over the phone, please call us at:

705-542-6332

https://forms.office.com/r/yisB26k6ZC

Together we can help to make sure the schools that our children attend are more inclusive and more equitable

Using the Anishinabek Education System Reporting Racism Tool

What Happens When You Report an Incident of Anti-Indigenous Racism

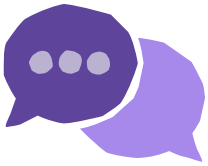

Incident is reported to the KEB

KEB staff will contact the person who made the report within 24 hours of receiving the report

Confidentiality and consent to share information will be confirmed with the person making the report before taking any next steps.

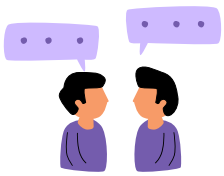

KEB staff will consult with the Education Director from the First Nation, with consents in place.

KEB staff will contact the school board, with consents in place, to seek collaborative resolution in response to the report.

KEB staff will review the reported incident and offer recommendations to the person who made the initial report, with appropriate actions and resolution.

The person who made the initial report will be made aware of the response from the Anishinabek Education System.

The reported incident will be tracked internally to identify where support is needed for addressing anti-Indigenous racism.

SCHOOL LUNCH MARKET

Families with children in Kindergarten through Grade 12 are invited to the once-monthly School Lunch Market. Boost student lunches with free snacks, fresh fruit, and juice boxes (*while supplies last*).

February 2024

The second moon of Creation is Bear moon, when we honour the vision quest that began in the fall. During this time, we discover how to see beyond reality and to communicate through energy rather than sound. This moon also gives us a special teaching about the birth of bear cubs. In February, there is one morning when there is a heavy fog in the air and the traditional person knows that this is happening.

Aggregate Permit Application

High Falls/Agnew Lake

Atikameksheng Anishnawbek is currently in consultation with T. Bell Transport (representing Future Wood Products) regarding a proposed aggregate pit in Drury Township at the east end of Agnew Lake just north of High Falls. The aggregate pit is proposed for a permit area of 45 hectares, an extraction area of 40 hectares, and removal of 350,000 tonnes of aggregate annually. It is located above groundwater.

The proposed project location is shown in the images below:

Any feedback regarding the proposed work is valuable to our consultation efforts.

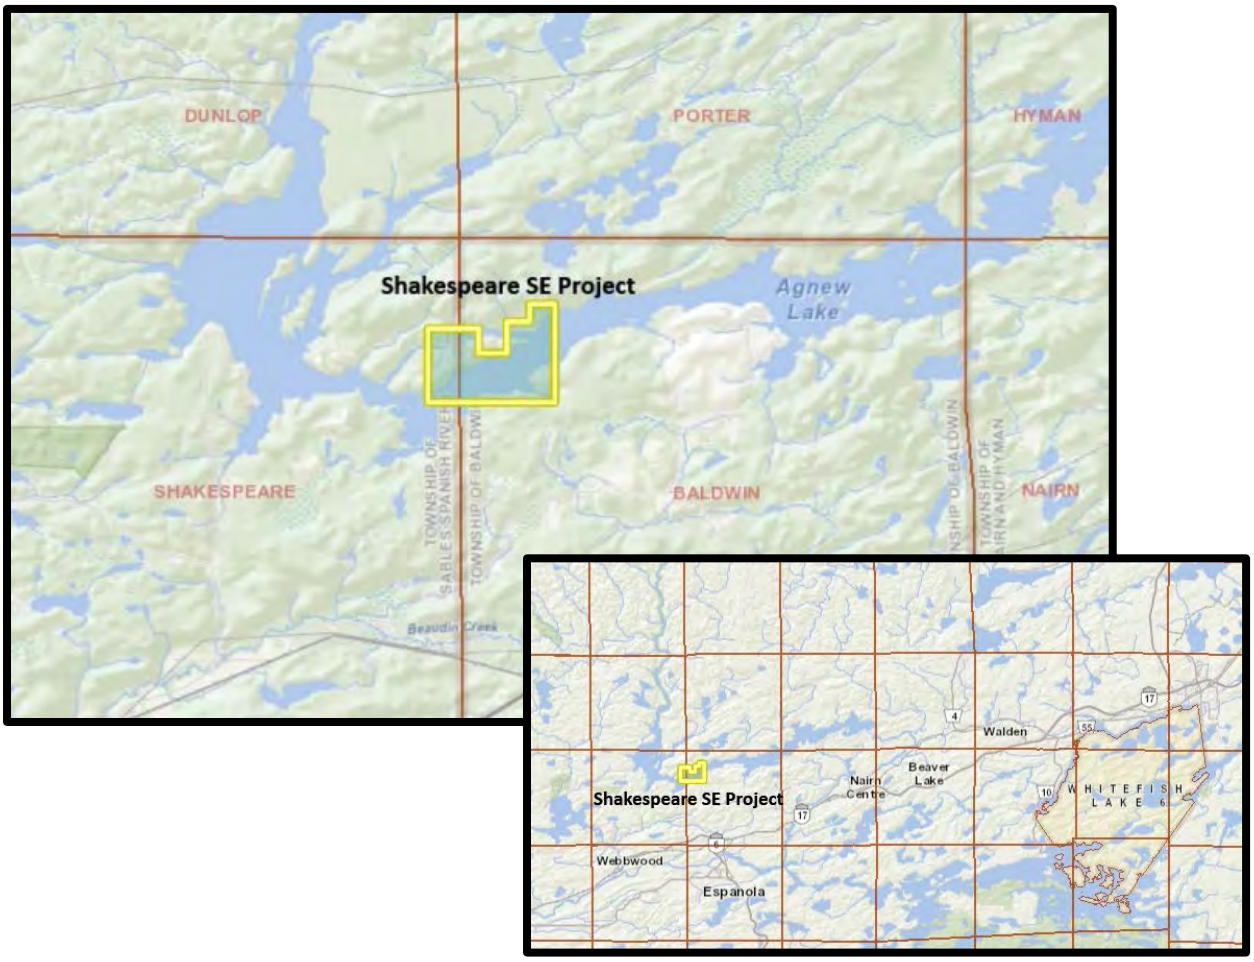

Please send your questions, comments, or concerns regarding this aggregate permit application by email to community.consultation@wlfn.com by February 14, 2024, at 4:00pm.
