# The Robinson Huron Treaty Annuity Claim Settlement Update
# Next Steps

**[Naughton, Ontario, February 29th, 2024 – Atikameksheng Anishnawbek]**

Dear Atikameksheng Debendaagziwaad (Those Who Belong),

Gimaa and Council are pleased to announce that the Robinson Huron Treaty Annuities Claim Settlement Agreement for Past Compensation was approved, and Chief Justice Geoffrey B. Morawetz issued a Partial Judgment Order on February 26th, 2024, to complete the execution of the Settlement Agreement. The process has been long and challenging, and we thank you for your passion and patience leading up to this historic moment. As we move forward, we would like to share with you the next steps in this process.

As a result of the approval, Canada and Ontario now have sixty (60) days from February 26, 2024, to distribute the funds to the Robinson Huron Treaty Litigation Fund. Council will continue to work with the Robinson Huron Treaty Litigation Fund team to determine the amount of legal fees and other outstanding expenses that need to be calculated before we can determine the exact amount owed to Atikameksheng Anishnawbek. We are also working with the Robinson Huron Treaty Litigation Fund team to prepare for the distribution of funds owing to Atikameksheng Anishnawbek.

In anticipation of receiving the funds, Council and the Administration team are establishing a process for collecting banking information from our Debendaagziwaad to facilitate the per capita distribution. Once this is finalized, Council will notify Debendaagziwaad of the official process established for collection of banking information, and to identify key points of contact. The anticipated timeline for the per capita distribution is June 2024, specifically after the May 29, 2024, referendum on the per capita distribution model.

Additionally, Council will continue to conduct engagement sessions throughout March and April to gather feedback on important issues such as approval of per capita distributions for unregistered Debendaagziwaad and for the recently deceased. Council urges you to read the Partial Judgement Order and Reasons for Decision, available on the Members Portal. Please reflect on the information and engage in informed discussions with your family and other Debendaagziwaad about all aspects of this historic and important event.

# Callout for Expression of Interest: Robinson Huron Treaty Annuities Claim Family Ambassadors

Gimaa and Council are currently engaging Debendaagziwaad to discuss the Robinson Huron Treaty Annuities Claim Settlement Agreement for Past Compensation; specifically the following topics:

1)Updates on Settlement Agreement
2)Report from Mizhinawe Session on August 18, 2023
3)Gimaa and Council Fiduciary Responsibility
4)Per Capita Distribution: Amount of Settlement for Individual Benefit
5)Per Capita Distribution: Distribution Models

As part of our engagement strategy, our team is willing to consider holding smaller sessions with Debendaagziwaad to provide them more opportunity to express their comments, concerns, and suggestions. We are proposing to hold sessions with the heads of large families i.e. Family Ambassadors, who can speak for and report back to their family group they are representing. We acknowledge that large families can have multiple Family Ambassadors and can represent Debendaagziwaad with the same last name. For example, we would accept requests from different Family Ambassadors for the Nootchtai, Nebenionquit, Shawbonquit, Petahtegoose, Bonhomme, etc. families, but we encourage Family Ambassadors represent as many family members as possible so that more Debendaagziwaad are informed.
We are seeking expressions of interest from Family Ambassadors to participate in an information session with our engagement team under the following terms and conditions:
1) A family group can select up to two (2) Family Ambassadors to represent their family group
2) Family Ambassador(s) must represent and report to a minimum of 10 members of their family group
3) Family Ambassador(s) must prepare their questions, comments, and suggestions from their family group prior to meeting with the engagement team
4) Questions, comments, and suggestions are limited to the five (5) topics listed above.

ATIKAMEKSHENG
ANISHNAWBEK

# Callout for Expression of Interest: Robinson Huron Treaty Annuities Claim Family Ambassadors

5) Family Ambassador must be able to read and write English to facilitate timely distribution of information

6) Meetings with the engagement team will be located at the Band Administration office and coordinated by the engagement team; snacks, refreshments, and hardcopy information will be provided to the Family Ambassador(s) upon request

7) Family Ambassadors that do not have a means of travel, transportation to and from the Administration office will be available to those Family Ambassador(s) that reside within our asserted reservation land base and within reasonable traveling distance

8) Family Ambassadors that travel to information session using own vehicle will be provided a $20 stipend based on Atikameksheng Anishnawbek policy

9) Family Ambassador(s) must be able to obtain and provide signatures of those members they represent; and some form of email or voicemail for those family members who live in other areas

10) Family Ambassador(s) must be able to meet with the engagement team during regular working hours i.e. Monday to Friday between 8:30am to 4:30pm, and be able to report back to their family group at a date, time, and location that the family group agrees upon

11) Gimaa and Council will provide each family with $250 to help facilitate a family gathering where the Family Ambassador(s) can report back to their family group

12) Family Ambassador(s) must sign a waiver acknowledging that the $250 they will be accepting on behalf of their family group will be used for the purposes of sharing the information they receive from the engagement team, and that Gimaa and Council will not be responsible for use of the funds as the Family Ambassador(s) is(are) accountable to the family group they represent

13) Family Ambassador(s) must complete a short survey at the end of the session in order to receive the $250 gift card

**SHOW BEGINS @ 7PM**

**DUE TO SUBJECT MATTER, A REFLECTION SPACE AND MEDICINE WILL BE OFFERED AFTER THE SHOW**

## Witness this awe-inspiring production for the first time outside of Stratford

Set in 1939, a group of students at a fictional Residential School in Ontario are faced with the daunting task of putting on a play by William Shakespeare for the King and Queen of England on their first Royal Tour. But as news spreads and audience expectations abound, the students, resilient and resourceful, find their own way into the text, determined to challenge the notion that there's only one way to do Shakespeare. Born of both family legacy and calls to action of the Truth and Reconciliation Commission, '**1939**' has been guided by Indigenous Elders, Survivors, and ceremony throughout its several years of development.

**The piece will be directed by Jani Lauzon, one of Canada's finest and most celebrated Indigenous artists and a leading voice in the theatre community. 1939 will feature a cast of entirely local to Northern Ontario artists, led by 5 local Indigenous artists including Kelsey Tyson, Sarah Gartshore, Lisa Cromarty and Richard Comeau (who was in the original production at the Stratford Festival).**
