Jordan's Principle

Santana Nebenionquit

NEW—Case Manager / System Navigator

- Atikameksheng Anishnawbek Band Member.
- Social Services—Native Specialization
- 8 years experience in child welfare.

Jennifer Sailian

NEW—Jordan's Principle Coordinator

- Registered Social Worker
- 2.5 years experience in indigenous child welfare
- 1.5 years experience with Jordan's Principle

What is Jordan's Principle?

Jordan's Principle is a child first initiative that ensures eligible First Nation children can access services when they need them. Named after Jordan River Anderson from Norway House Cree Nation in Manitoba, Jordan was born with complex medical needs and spent more than 2 years unnecessarily in the hospital while the federal and provincial government argued over who would pay for his home care. Jordan's Principle states that the government of first contact pays for the service and resolves jurisdictional/payment disputes later.

Who is eligible?

Registered First Nation children aged 0-18 who live on or off reserve, First Nation children entitled to be registered, has one parent or guardian who is registered or eligible to be registered, or First Nation children who are recognized as members by their nation for the purposes of Jordan's Principle.

What is covered?

Jordan's Principle covers all public services such as mental health, educational needs, assessments, medical supplies, mobile aids, respite care, dental, physiotherapy, social supports, etc.

CHI-ZHIINGWAAK BUSINESS PARK UPDATE APRIL 2024

Giyak Mishkawzid Shkagmikwe (GMS) Development Corporation is continuing to advance the development of the Chi-Zhiingwaak Business Park, an 18-lot business park located near entrance of the Atikameksheng Reserve.

Recent activity has included Species at Risk field surveys that were conducted by MTE Consultants Inc., in collaboration with the Atikameksheng Lands Department. Although no species at risk were encountered, suitable habitat for five (5) species was identified.

Limited tree clearing was conducted in December 2023 to allow access to drill rigs that drilled boreholes to collect geotechnical information needed for the road design and for building designs on the 18 lots. Tree clearing staff were accompanied by a licensed biologist and the Lands Department Staff to ensure that no species at risk were impacted by the clearing, in particular bats.

The project engineer, S. Burnett and Associates Ltd. (SBA) has now completed the preliminary design of the business park road, and extension of water, wastewater, electricity and lighting services. Having completed this step in the Project development, in March 2024 SBA submitted a request to Indigenous Services Canada to conduct an environmental review of the project. At the same time, SBA submitted a request to Environment Canada and Climate Change for a Species at Risk permit to allow the remaining tree clearing for the business park to go ahead. This permit application includes detailed measures to ensure that impacts to species at risk are avoided or minimized as much as possible.

Tree clearing will be completed outside the breeding bird season, which runs from mid-April to late-August. SBA is now working on completing its design for the business park road and services so that tree clearing can start this fall, once all permits and approvals are in place.

On the commercial side, GMS with the assistance of BDO and Third Line Studios is currently updating the 2016 Business Park Business Plan. In the coming months we will engage with the Atikameksheng Business Community and other entrepreneurs who may be interested or have previously expressed interest in locating their business in the Business Park.

If you have any questions on these matters, please contact CEO, Adam McEniry by email adam.mceniry@gmsecdev.com, or phone 705-885-1152 extension 100.

Solar Eclipse Party

April 8, 2024
2-4:30pm

ECLIPSE-VIEWING W/SAFETY LENSES
(GUARDIANS MUST SIGN RELEASE BEFORE PARTICIPATION)

FUN SOLAR ECLIPSE ARTS & CRAFTS

GALAXY-THEMED REFRESHMENTS

ECLIPSE JEOPARDY WITH PRIZES

HOSTED AT (LIBRARY)
REGISTRATION REQUIRED
ESW3@WLFN.COM

WE RESPECT THAT THERE ARE DIFFERENT CULTURAL BELIEFS ABOUT VIEWING THE SOLAR ECLIPSE. EACH PERSON SHOULD MAKE THEIR OWN DECISION ABOUT PARTICIPATING IN THE VIEWING OF AN ECLIPSE.

SAFETY NOTE: There will not be a full eclipse over Atikameksheng Anishnawbek, and thus there is no safe time to view the eclipse with your bare eyes. During the event we will provide AAS certified and ISO 12 312-2 glasses for viewing the eclipse. Looking at the eclipse with bare eyes can cause damage to the eyes and vision.

Solar Eclipse Viewing Permission Slip

On April 8, 2024, a solar eclipse will be visible on a path across Canada and the United States.

Atikameksheng Anishnawbek is outside the path of totality, therefore we will only see a partial solar eclipse of about 90 per cent. It is not safe to look at the sun at any time during the eclipse.

On April 8, youth will be out of school on a PD day, and can participate in a rare learning opportunity at the Solar Eclipse Party hosted by the Atikameksheng Anishnawbek education department. Youth will be both inside and outside the library on Maani Street, participating in staff-led eclipse activities. Youth under ten years of age MUST be accompanied by an adult to venture outside during the event.

The education department will provide youth who attend the outdoor activities with eclipse glasses verified to be compliant with the ISO 12312-2 safety standard to wear during this event. If you do not return this permission slip or deny consent, the associated youth will be required to remain indoors during the event.

If you want the below-signed youth to participate in outdoor viewing activities planned on April 8 for the Solar Eclipse Party, please review, sign and return this permission slip as soon as possible. All permission slips should be submitted to Stacey Lavallie (esw3@wlfn.com). Slips will be available on site as well.

Youth Acknowledgement of Risk/Permission

I understand that looking directly at the sun is unsafe and can result in permanent eye damage or blindness. I also understand that the only safe way to look directly at the partially eclipsed sun is through eclipse glasses compliant with the ISO 12312-2 safety standard. Homemade filters or ordinary sunglasses, even dark ones, are not safe for looking at the sun. I will follow all education department rules and instructions during this activity in order to ensure a safe and enjoyable learning experience.

_____ _____

Youth Signature Date

Parental Consent and Release

I, _____ parent(s)/guardian(s) of _____,

☐ **Give Consent** ☐ **Do Not Give Consent**

for the above-signed youth to attend the Solar Eclipse Party and participate in eclipse related activities on April 8, 2024 using eclipse glasses compliant with the ISO 12312-2 safety standard. The above-signed youth will follow the education department's rules and regulations, as well as guidelines set up by the faculty and staff. I have been informed about the risks associated with viewing the eclipse, which can include injury to the eyes if eclipse-safe viewing glasses are not worn properly.

I hereby release Atikameksheng Anishnawbek, as well as any and all of its council members, employees, administrators, volunteers, and insurers from any and all liability for any and all harm arising to the above-signed youth as a result of this activity.

Electoral Officer Callout

The Atikameksheng Trust is seeking a highly motivated and skilled individual to serve as the Electoral Officer for the 2024 Trustee Election. This election will determine two (2) Resident Trustees and one (1) Non-Resident Trustee. The Trustee Election will be scheduled in July 2024!

Responsibilities of the appointed Electoral Officer include:

Adhering to Trust Agreement procedures
Showing due diligence in conducting the electoral process
Managing all electoral correspondence
Fulfilling any tasks outlined in the Trust Agreement related to the electoral process
Preferred qualifications include experience and certification in electoral processes.

Other requirements include:

Excellent computer skills, particularly with Microsoft Office and Excel
Strong written and oral communication skills
Exceptional interpersonal skills
Ability to work independently and achieve targets with minimal supervision
Strong problem-solving skills

If you believe you possess the necessary skills, abilities, and experience to manage the 2024 Atikameksheng Trustee Election, please submit your letter of intent and service quote to Jordon by Friday, April 12, 2024 at 4:30 PM.

Contact Information:

Ms. Jordon Shawanda, Interim Trust Administrator
Email: admin@atiktrust.ca

Address: 1-31 Reserve Rd, Independent Living Centre, Naughton, ON P0M2M0
Toll-Free: 1-866-232-4280
Phone: 705-692-2235
Fax: 705-692-7225

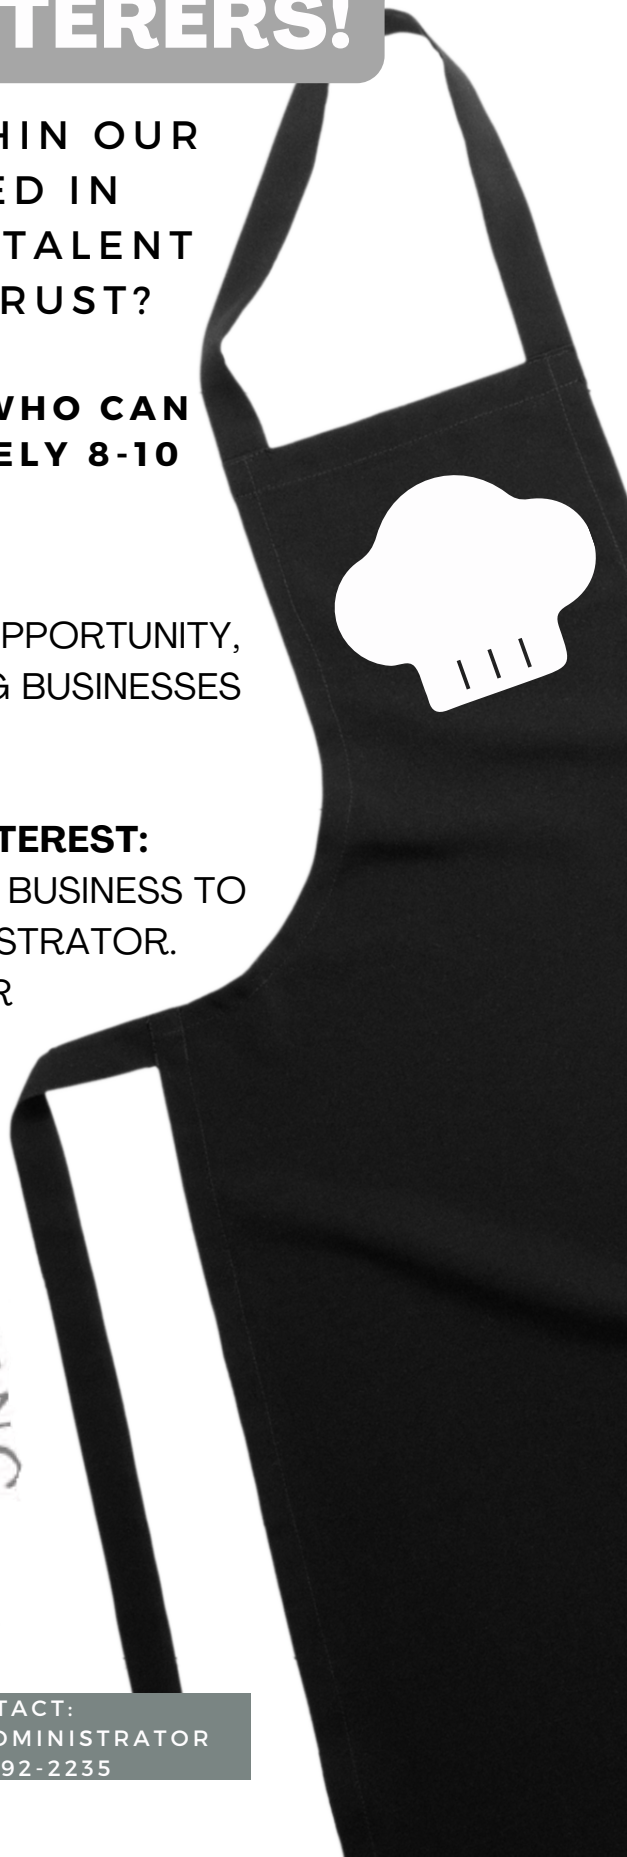

For additional information regarding the contract job, please contact the Trust Administrator. We value all applicant submissions; only the selected individual(s) will be contacted.

Chi-Miigwetch.

DRUG WARNING

April 2, 2024

INCREASE IN SUSPECTED DRUG POISONINGS

Lower your risk of overdose:

Ask around.
Know your supply.

Avoid drinking alcohol when using drugs.

Use caution.
Start low and go slow.

Carry a naloxone kit.

Don't use alone.

Alone? Call National Overdose Response Service line at 1.888.688.NORS(6677)

Your supply may be more toxic than you know.

Respond to an overdose:

Call 911.

GIVE NALOXONE.
It will do no harm.
Additional doses may be needed.

Give chest compressions.
Push hard, push fast.

If not breathing, give rescue breaths.

Place the person on their side if breathing on their own.

Stay until help arrives.
Overdose symptoms may come back.

Overview of Presentation Content

- DYSLEXIA IN BILINGUALS AND SECOND LANGUAGE LEARNERS
- THE SCIENCE OF READING AND EFFECTIVE STRATEGIES TO SUPPORT LITERACY SKILLS
- ASSISTIVE TECHNOLOGY: A CRUTCH OR A TOOL FOR LEVELING THE PLAYING FIELD?

About: Alex-Andrée Madore

Alex-Andrée Madore currently holds the position of lead psychologist at the CSCNouvelon in Sudbury and also serves as a volunteer on the board of directors of the Learning Disabilities Association of Sudbury. Her passion lies in assisting parents/guardians and educators in French-minority language environments to embrace the science behind teaching reading and writing.

In 2023, Alex-Andrée received a Literacy Leader Award from the International Dyslexia Association of Ontario (IDAO) for her dedicated efforts in raising awareness and understanding of structured literacy programming. She believes in open access to high-quality, evidence-based, and research-informed resources for educators and parents to support every student's right to read.

To access the 65+ AlphaGraphe resources she has co-created, visit her website at www.childpsychologynorth.com and check out her YouTube channel at @alexpsyscolaire.

Namebine Giizis is Cancer Awareness Month

Only you can know your body and know what is normal. If you notice something is different, like a new growth, lump, more fatigued, or have unexpected weight loss, this needs to be checked out. Book your appointment with your health care provider and discuss these changes. It may be something, or it may be nothing. But if it is something, when it is found early, it is often easier to treat.

Did You Know: About 4 in 10 cancer cases can be prevented through healthy living? **Reduce your risk** of developing cancer now! Make some positive changes in your life like:

- be smoke free
  Smoking is responsible for an estimated 30% of all cancer deaths in Canada. Quit with a friend!
- Be sun safe
  Protect your eyes & skin
- have a healthy body weight
  Check with your doctor about what a healthy body weight is for you and work towards your that goal.
- Eat well
  Cancer loves sugar. Eat more vegetables and leafy greens! Try hot lemon water too.
- Exercise
  Helps control weight, boost your mood and improve sleep!
- Limit alcohol
  Alcohol raises your risk of developing cancers. Smoking & drinking is worse!

There are many benefits to living a healthy lifestyle: Improved mood, energy, memory, prevents disease, saves you money, live longer, diabetes management, reduces stress, controls high blood pressure, strengthens bones & muscles, cognitive benefits, just to name a few.

Are you interested in making some lifestyle changes? There is help. Come to the health Centre and let's discuss! We have a Health & Wellness team ready to discuss your goals with you. Contact us today!

Dad Jokes

Why can't you hear a pterodactyl going to the bathroom?
Because the "P" is silent.

What do you call a well-balanced horse?
Stable.

What do you call an angry carrot?
A steamed veggie.

Planet vs Plastics

For Earth Day 2024 on April 22nd, EARTHDAY.ORG is unwavering in our commitment to end plastics for the sake of human and planetary health, demanding a 60% reduction in the production of **ALL** plastics by 2040.

How can You Help? Always carry a reusable bag and reusable cutlery, and join in on our Community Clean Up day! Clean your home & neighbourhood from plastic debris.

Namebine giizis (Sucker Moon)

April 2024

The fourth moon of Creation is Sucker Moon, when sucker goes to the Spirit World in order to receive cleansing techniques for this world. When it returns to this realm, it purifies a path for the Spirits and cleanses all our water beings. During this time we can learn to become healed healers. Another teaching is that the sucker gave up his life for the Ojibwe in the month of February. The previous month, January, is the hardest time of year to get food because of the scarceness of game. In February it is easier to net these fish and it is believed that the sucker is giving his life for the Anishinaabe.
