NOTICE TO DEBENDAAGZIWAAD:
NEW FORMAT FOR COUNCIL MEETINGS AND OTHER MEETINGS

Gimaa and Council wish to clarify the following in terms of how future meetings will be held. This is an effort to increase the productivity of Council meetings while still being transparent and engaging with Debendaagziwaad.

Effective immediately, Band Meeting times have been adjusted so that Gimaa and Council can conduct working meetings and properly address Debendaagziwaad concerns. Please see the attached chart for a list of the various types of meetings that will be conducted moving forward. Please check with our social media sites and website for more information.

Band Meetings will still be categorized as either **Administrative** or **Governance** Meetings. They will alternate every two weeks and begin at 1:00 pm EST. Debendaagziwaad are invited to attend the Band Meeting in person in Council Chambers or virtually via Zoom link. At 6:00 pm, the Band Meeting will be opened to hear Debendaagziwaad concerns.

Please note, during the Debendaagziwaad concerns portion, Council will not make any motions or resolutions as this portion is intended to hear concerns only. If Debendaagziwaad are seeking a decision from Council, then they are encouraged to provide their request at least 1 week in advance of the meeting for the request to be heard during the regular portion of the meeting where motions will be passed.

Gimaa and Council wish to be transparent and will upload Band Meeting recordings to the Members Portal within one business day of the meeting. Minutes for duly convened meetings will also be made available in the foyer at the Administration Office and in our Members Portal. For more information or technical assistance with the Members Portal, please contact public.relations@wlfn.com.

Binaakwii Giizis - October 2024

Falling Leaves Moon is when we gift others with what we have gathered. We are respectful in our giving, knowing the honour it brings. During this moon, we look inward and understand the journey of letting go of what we no longer need to carry. This Moon is also known as Harvest Moon, Drying Rice Moon, Freezing Moon, Ice Moon, Migrating Moon, as well as many others.
