THE INDIGENOUS KORE

NEW PARTNERSHIP ANNOUNCEMENT

WITH A TRUSTED FRIEND

Cliff Skelliter: The founder and CEO
Ojibwe and Pottawatami, living in Greater Sudbury
Cliff has worked closely with **Atikameksheng Anishnawbek**
Strategy and Visual Design of "Walking Together" outreach program.
Visual Design for "Indigenous Youth Conference".

TIK is a super simple software that gets put into the hands of every community member (through mobile device or computer). By connecting members with capital projects, TIK requires vendors to prioritize local hires, recognizing internal talent and bridging skill gaps.

- Built-in tools to support meaningful Indigenous engagement
- Photo uploads for field verification and safety documentation
- Real-time certification tracking
- Multi-project timesheets with seamless approval workflows
- Custom form builder for audits, inspections, and reporting

This strategic partnership will enable Atikameksheng to control its future, and cultivate a stronger, more prosperous community.

CALL OUT
For
Housing Committee Member

PURPOSE: to assist in addressing the needs of our community in respect to housing and to develop policy, procedures, structure and guidance to ensure affordable, adequate and suitable housing programs are available to eligible Atikameksheng Anishnawbek band members.

TERM: (1) Atikameksheng Member

The terms for the members of the Housing Committee will coincide with newly elected Chief and Council to commence upon appointment by Chief and Council. Be in good financial standing (not in arrears on any debts/loans to Atikameksheng Anishnawbek).

OVERVIEW OF HOUSING COMMITTEE RESPONSIBILITIES:

Follow Housing Committee Terms of Reference;

Ensure that all policies and procedures have been approved by Chief and Council and are being implemented and enforced documented consistently without exception. Be sure that the policies are available to all committee members and housing staff;

Hold annual planning sessions to share successes, milestones, and plan for the future;

Review the Housing Policy and housing priorities on an annual basis, and recommend revisions to Chief and Council as required;

Abide by the policies and procedures set out by Chief and Council that apply to the position of a Committee Member;

The Housing Committee shall approve applications for rental housing and other programs within the Housing Policy;

The Housing Committee shall not be involved with the day-to-day delivery or administration of housing programs and services;

And act as a role model and publicly support housing programs, services, housing goals, housing department staff, policies, procedures and best practices;

Be willing to comply with terms of reference (conflict of interest, confidentiality and code of ethics);

Deadline Date: May 30,2025 @ 12 PM

Interested members of Atikameksheng Anishnabek should have some experience related to housing and infrastructure. To apply please send a confidential letter outlining your interest and experience to:

NOTICE TO THE COMMUNITY

The public works department will be flushing water mains from May 12, 2025 to May 23, 2025 between the hours of 8:30 a.m. to 4:30 p.m.

We conduct an annual flushing program of our water distribution system to help ensure continued high-quality water service. Flushing the water system entails sending a rapid flow of water through the water mains. As part of the flushing program, fire hydrants are checked and operated to help ensure fire protection in the community.

Flushing of the water distribution system is performed every year primarily to remove sediment in pipes. These sediments, which do not pose a health concern, are comprised mostly of minerals which have accumulated over time in the pipes. An annual flushing program helps to keep fresh and clear water throughout the distribution system.

While a flushing program is underway in our community, you may experience a slight drop in water pressure or temporary water discoloration. Please refrain from doing laundry during the time of day when the flushing program is taking place. If tap water is discolored, we recommend allowing several cold-water faucets to run for a short time until the water runs clear. Using more than one faucet allows the water to clear faster.

If you have any questions or concerns, contact the Public Works Manager, Darin, at 705-692-3651 ext.1150 or 705-688-4901 . We are sorry for any inconvenience this may cause you. Thank you for your co-operation.

BRAZILLIAN JIU JITSU

Children and youth who learn Jiu-Jitsu experience numerous positive outcomes, including improved physical health, enhanced mental skills, and a boost in self-confidence and social skills. They develop discipline, focus, and problem-solving abilities, while also gaining valuable life skills like teamwork and respect. Studies show that BJJ can significantly improve self-control, reduce aggression, and promote pro-social behavior in young people.

First Session May 20 & 27, 2025

Jiu Jitsu Sessions will be split up into 2 groups

Group 1 ages 4 years to 11 years – time 4:30PM to 5:15PM

Group 2 ages 12 years to 16 years – time 5:15PM to 6

Brazilian Jiu Jitsu is being offered by: Family Well-Being Program, Healthy Babies/Children Program, Community Physical Activities Program, Family Violence Prevention Program, and Mental Health Program.

Keep an eye out for the next poster with more dates we would not want children and youth to miss out on this opportunity for learning

Nickel Site-Specific Standard Renewal

In accordance with Ontario Regulation (O. Reg.) 419/05, provisions for Site-Specific Standards are defined within the province's air management framework to regulate air emissions, including those from industrial facilities. These provisions aim to limit substances released into the air that can affect human health and the environment by requiring industries to operate responsibly, under a set of publicly transparent rules. The Regulation provides three compliance approaches for industries to demonstrate environmental performance and continual improvement through the following approaches:

1. Meeting a provincial air standard
2. Requesting and meeting a Site-Specific Standard; or
3. Registering and meeting the requirements under a sector-based technical standard (if available).

Sudbury Integrated Nickel Operations (Sudbury INO), a Glencore Company, currently operates the Sudbury Smelter under a Site-Specific Standard for nickel, which was approved in December 2015. The facility is located at 2 Longyear Drive in Falconbridge, Ontario. Under the current Site-Specific Standard Action Plan, Sudbury INO achieved the targeted reduction in modelled maximum concentration of nickel from 0.116 µg/m^3 to below the current Site-Specific Standard of 0.066 µg/m^3 (annual averaging period).

Table 1: O. Reg. 419/05 standard and upper risk threshold for nickel, and the current Site-Specific Standard.

Ministry Standard	Description	Averaging Period	Value (µg/m3)
Upper Risk Threshold	Used to manage risk and to evaluate Site-Specific Standard requests	24-hour	2

Giyak Mishkawzid Shkagmikwe

Chief Executive Officer

Giyak Mishkawzid Shkagmikwe (GMS) is the economic development corporation for Atikameksheng First Nation. The purpose of GMS is to improve the quality of life and increase opportunities for the Debendaagziwaad of Atikameksheng Anishnawbek; who were marginalized while their lands suffered the impacts of mining, settlement, and industrial activity for 150 years. GMS is 100% owned by Atikameksheng Anishnawbek. It manages and supports the development of Nation-owned business ventures whose function is to return revenues and other economic benefits to the Nation and ensure its participation in resource and other developments on the Greater Atikameksheng Anishnawbek Territory.

The Chief Executive Officer (CEO) has executive responsibility for overseeing and directing strategic and emerging initiatives, leadership, and business and community development with the vision and success measures of GMS. The CEO is accountable for all organizational performance. The CEO has an advisory reporting role to the Chair of the GMS Board of Directors. The CEO provides regular reports to community members including a full report at an annual general meeting.

The successful candidate demonstrates a strong belief in, and commitment to GMS. The CEO will have proven senior leadership experience, with a deep understanding of both corporate governance and Indigenous values. An entrepreneurial and visionary leader, this individual brings a wealth of knowledge and proven skills required to build and scale a new organization. Strong analytical and problem-solving abilities are essential, as well as the capability to create and execute strategies in collaboration with senior leadership on key priorities.

To Apply

To fill this position, Giyak Mishkawzid Shkagmikwe has partnered with leadership advisory firm Odgers Berndtson. Applications are encouraged immediately and should be submitted by email ideally by May 22, 2025. For more information, please contact Sarah Tusz of Odgers Berndtson at sarah.tusz@odgersberndtson.com. We thank all those who express an interest, however only those chosen for further development will be contacted.

Equity, Diversity, and Inclusion

Giyak Mishkawzid Shkagmikwe is an equal opportunity employer. In accordance with the Accessible Canada Act, 2019 and all applicable provincial accessibility standards, upon request, accommodation will be provided by both Odgers Berndtson and Giyak Mishkawzid Shkagmikwe throughout the recruitment, selection and/or assessment process to applicants with disabilities.

Odgers Berndtson is deeply committed to equity, diversity, and inclusion in all the work that we do. As part of our efforts to better understand our ability to reach as broad a pool of candidates as possible for our searches, our EDI team would like to encourage you to take a moment and access our Self-Declaration Form.
