WELL-BEING SURVEY 25-26

Well-being Survey Update and News

We would first like to thank the 170 Atikameksheng Anishnawbek members who have completed the Well-being Survey. This has been a fantastic survey response rate in a mere 3 weeks since the survey was launched.

Regrettably, on Saturday November 28th at 8:36 am EST our Well-being Survey project team were alerted to a possible personal identify security breach. According to this one survey respondent, this person has stated they were able to see the summary of all survey results and the list of survey respondents' band member numbers and email addresses. Our team acted immediately by 10:00 am EST on November 28 to rectify this situation and turned off this feature in Google Forms.

We want to assure all members who completed the survey that there is no risk to their identity nor to the validity of the survey responses. The case has subsequently been closed.

We apologize if this has caused any members any anxiety or harm.

We encourage all adult members of our Nation to complete the Well-being Survey. All security measures have been taken to ensure privacy. Please be reminded that only members aged 15 years and older are qualified to complete the survey.

Also, the $50 stipend to survey respondents will be paid once a week for payment, on Thursday. Because of the Christmas break (Dec 19 - Jan 2), all surveys received before December 19th will have their stipend processed the first week of January 2026.
